**HARBORVIEW PLACE**  
**225 Water Street, Suite 132A**  
**508-747-3338**

### **FROM THE NORTH (south on route 3):**

Take route 3 south to exit 6A. Follow the ramp straight (just under 1 mile) – all the way down to the waterfront. When you reach the waterfront, a small rotary will be directly in front of you.

As if you were making a left hand turn, go  $\frac{3}{4}$  of the way around the rotary to Water Street. You will pass the Lobster Hut and East Bay Grill Restaurant on your right hand side. As you pass a small brick building, our building is next. There is a large boulder marked Harborview Place. **Harborview Place A** is written on the building. The main entrance has a brick walkway and glass doors. Go directly to the back of the building; Dr. Streckler's office is down the left hallway on the first floor.
